Enter and Submit your neighborhood information with primary contact information. The supplied e-mail address will be used for providing administration instructions on accessing your site.

Note: Your neighborhood or homeowners' association name becomes part of your unique domain name. Keep it as easy to use as possible and not enter unnecessary characters. For example this HOA may be formally called Clover Ridge Estates Home Owners Association, Inc. but for ease of use only Clover Ridge was entered.

3. Connect your Neighborhood Watch to your local police department.

Your neighborhood watch offers an exclusive integration with Crime Stoppers Wanted and Crime Stopper Alert. Each law enforcement agency that subscribes to this service has undergone an appropriate investigation to ensure they are truly an appropriate contact within that agency. This extends them the authority to post information about wanted criminals and crimes.

In order to ensure an appropriate communication channel exists between your home owners association and your local law enforcement agency, you should select them from the approved list of law enforcement agencies below. If your local law enforcement agency is not on this authorized list you will have the opportunity to enter their contact information so their free subscription may be offered to them.

This step allows you to link your group to your local police department. Use the drop down selection list to pick your department from those already signed up with Crime Stoppers Wanted. If your local police department is not on the list then appropriate select and submit that option.

You have submitted that the Law Enforcement Agency for your neighborhood watch is not on our list of authorized agencies. We would like to offer them a free subscription.

Your Neighborhood Watch benefits by being associated to an agency subscribing to Crime Stoppers Wanted. By doing so you will automatically be connected to information they are posting regarding Crimes, Wanted Suspects, Missing Persons and Community Alerts. Additionally, you will through them be linked to other Neighborhood Watch groups within their jurisdiction.

If you do not have their contact information at this time it can be supplied later. They can also sign up their agency at www.CrimeStoppersWanted.com

That's It!
